

To Whom It May Concern,

I'm writing on behalf of "For the Love of Animals", a ministry of World Harvest Community Church. The purpose and goal of "For the Love of Animals" is to help relieve pet owners of some of their pet expenses. With the economic situation in our country today, people are finding they have to set priorities. A pet in the household may not be on the top of the priority list. With expenses tight, many people are surrendering their beloved pets to already over-populated shelters and rescues. As a result, many animals are being unnecessarily euthanized.

My hopes and prayers are to be able to provide pet owners with some of their pet's needs and to keep the pets in the home with their families.

Your generous donation of services and/or merchandise will be publicly acknowledged through a variety of means, some of which may be promotional announcements, fliers, signs at the distribution site, etc. In addition to helping the animals and the families they belong to, we feel that your business will benefit from the community goodwill generated by your kind donation to our group.

To learn more about our group, please contact me, Roxanne Porter, at rxnprt@aol.com.

Thank you for your consideration of our request, and we look forward to hearing from you in the near future.

Sincerely,

Roxanne Porter
